

Aquarian Gardens

Thank you for your interest in Aquarian Gardens. We provide quality flower garden design and maintenance services in the Chippewa Valley. I would be pleased to assist you with any gardening plans you have for your home or office.

Please review our brochure that which provides an overview of our services, as well as a current price list for labor and plant costs. Please contact me any time with questions, or to set up an initial consultation.

Thank you,

Diana Witcher
Co-owner
